improving life in Gothenburg.

Send in your suggestion for Gothenburg

Do you have a load of ideas in your head about how we can improve life in Gothenburg? You can send your suggestions directly to the City of Gothenburg's website. You can also read about other people's suggestions, comment on them and vote for them. If 200 other people agree with you and vote for your suggestion, it will be put forward for a decision by local politicians.

How to send a suggestion for Gothenburg:

1. Go to www.goteborg.se/goteborgsforslaget
NOTE! The web page is only in Swedish and your suggestion must also be in Swedish. If you need help, go to Medborgarkontoret (Citizens' Office).
2. Create an account by typing in your name, contact details and e-mail address.
3. You'll receive an email where you can click on the attached link.
4. Write your suggestion in the form on the web page. Your suggestion must have a heading, a summary and a description of your idea. You can attach images and links. Read through it and send it.
5. When your suggestion has been published, you will receive an e-mail.

Tip!

Promote your suggestion by sharing it on social media such as Facebook and Twitter.

The Gothenburg suggestion process

1. Send in your suggestion

Everybody can send in suggestions, including children and teenagers and those who live outside Gothenburg. If you need help, go to Medborgarkontoret (Citizens' Office).

2. The suggestion is published

You will receive an e-mail when your suggestion has been reviewed and is on the website.

3. Vote and make comments

Suggestions are open for voting for 90 days. You must log in to comment and vote. You can only vote once on each suggestion.

NO YES

4. Politicians make a decision

If a suggestion has been given at least 200 votes after 90 days it is passed on to the council or board, which will take up the suggestion for discussion and decision.

5. You will be told what happened

You will receive an email with the result after the politicians have decided on your suggestion. It will also be published on the website.

6. The suggestion is saved

All the suggestions are archived and searchable on the website, so that everyone can see what suggestions have been sent in and what the politicians decided.
