Information about voluntary holiday school for students in grades 0–3

Dear Parent/Guardian,

We would like to inform you about the opportunity to enroll your child in this year's voluntary holiday school, with a focus on reading.

The summer school will take place during weeks 26–29. After-school care is possible both before and after voluntary holiday school's hours. Summer after-school care is also offered to students who have attended in voluntary holiday school and who need care during weeks 30 and 31.

Registration is done by scanning the QR code provided. The QR code will take you directly to the registration page.

The deadline for registration is **May 8th**.

Please note that participation in the summer school is voluntary. However, once you have registered your child, the registration becomes binding. It is therefore important to ensure that your child is able to attend during the selected period.

If you have any questions, please feel free to contact the school.

Regards,

Lilla Gårdstensskolan
