Up to date with Vklass

In the Vklass app, students and guardians get an overview of what goes on at school. In Vklass, you will be able to monitor the student's progress, report absence and receive information from your school.

Vklass log in

First, choose your organisation:

- Göteborgs Stad GSF – primary school, special primary school and leisure center

- Göteborgs Stad UBF - upper secondary school, upper secondary special school and adult education

Students log in with their regular school account.

Guardians log in with BankID via Göteborgs Stads EID.

Download the app

The app can be downloaded from the App Store or Google Play.

Use the QR code for more information.

We will help you

Find out more about Vklass at goteborg.se or contact the school if you need further information about Vklass.
