

Privatliv

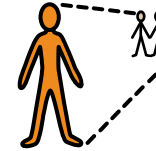

Privatliv

=

betyder

det man gör

ensam.

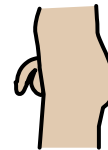

Det

handlar om

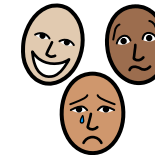

kroppen,

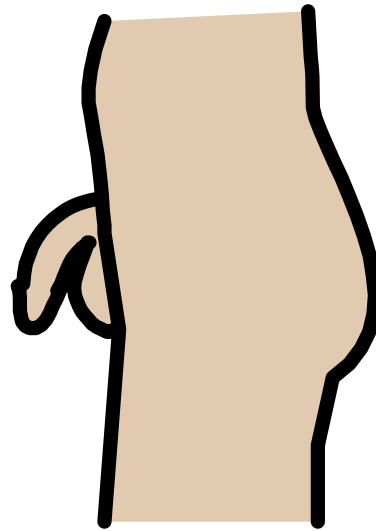

snoppen

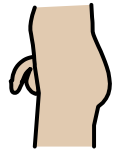

och

känslor.

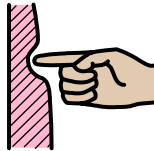

Snoppen

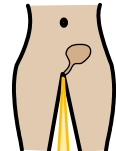

Snoppen

är

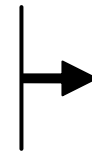

mjuk.

Kisset

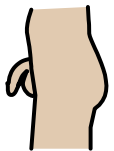

kommer

från

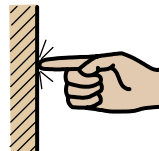

snoppen.

Snoppen

blir

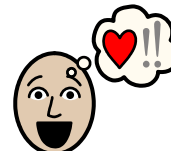

hård

när du

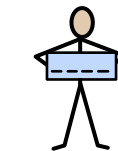

känner

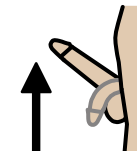

lust.

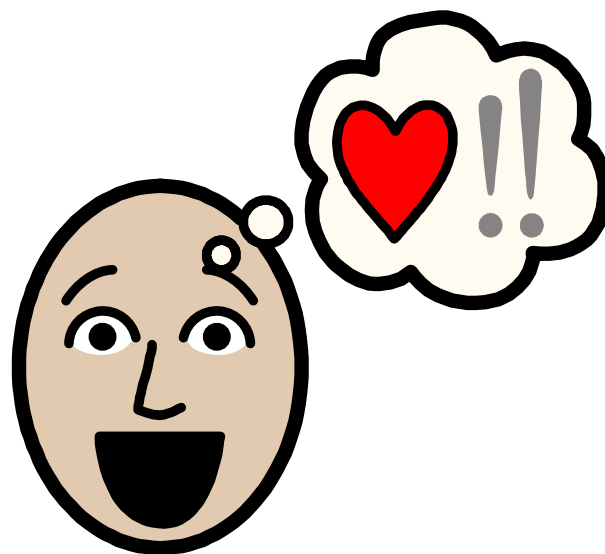

Det

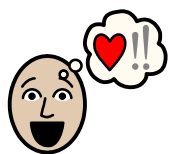

kallas

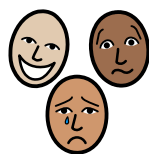

stånd.

Lust

Lust

är en

känsla.

Många

vill

känna

och

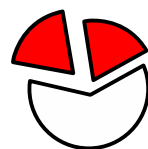

klämma

på

snoppen

då.

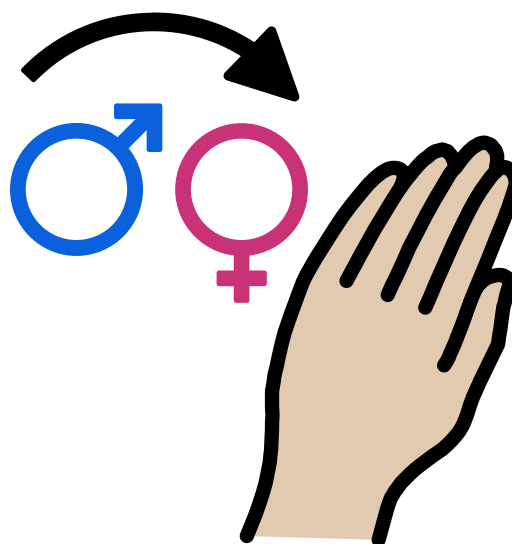

Eller andra

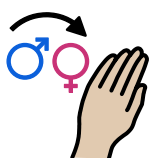

delar av

kroppen.

Onani

Onani

är när det

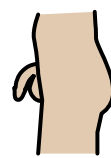

känns

skönt

på

snoppen.

Man kan

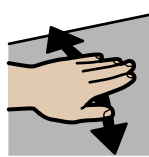

känna

och

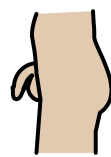

klämma.

Eller

gnugga

snoppen

mot en

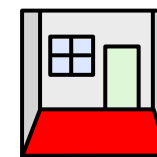

filt,

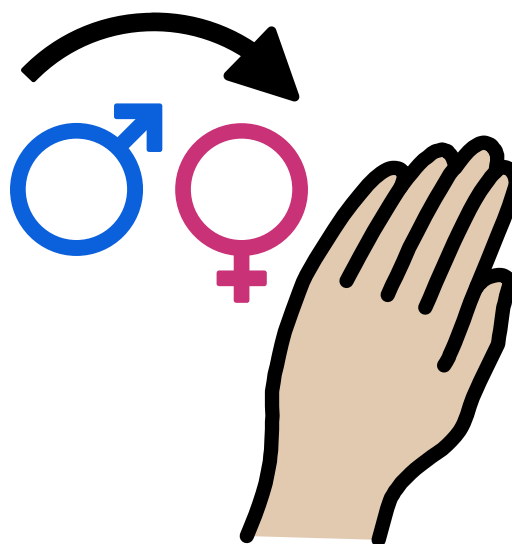

soffa

eller

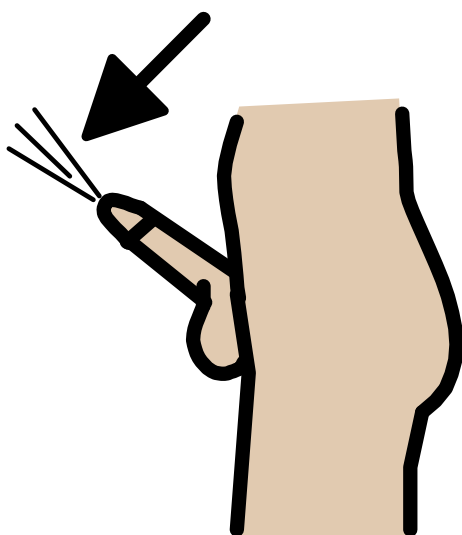

golvet.

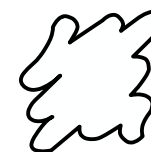

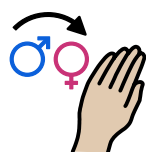

Onani

Ibland vill man onanera. På skolan kan man onanera på

toaletten, i duschen eller i sitt rum.

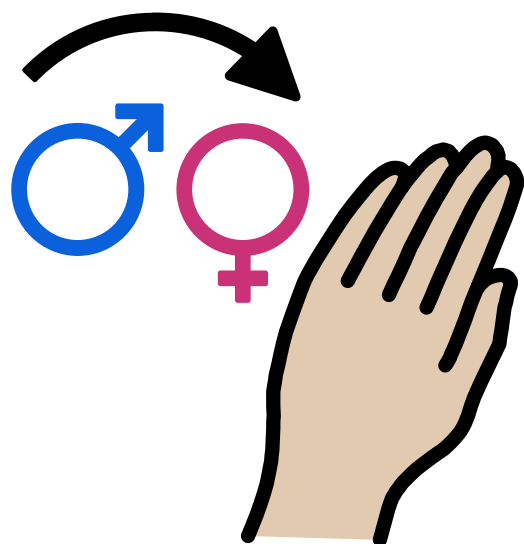

Sperma

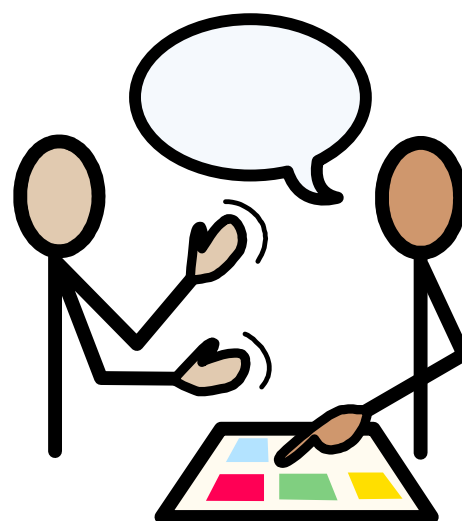

Ibland när man onanerar kommer sperma ur snoppen. Sperman är vit

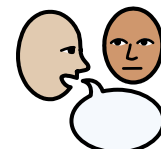

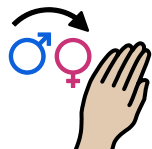

och kladdig. Då är det bra att gå på toaletten och tvätta rent.

Onani

Kommunicera

Om jag

vill

onanera

på

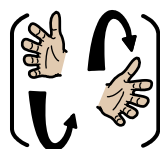

skolan

kan jag

berätta

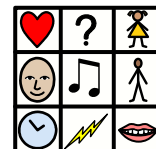

det.

Då använder jag

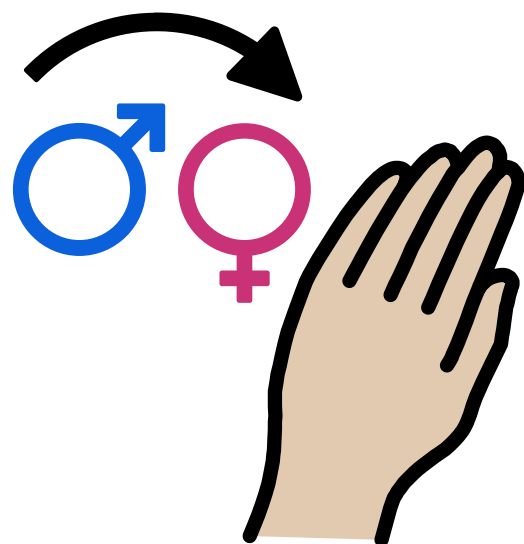

teckenspråk

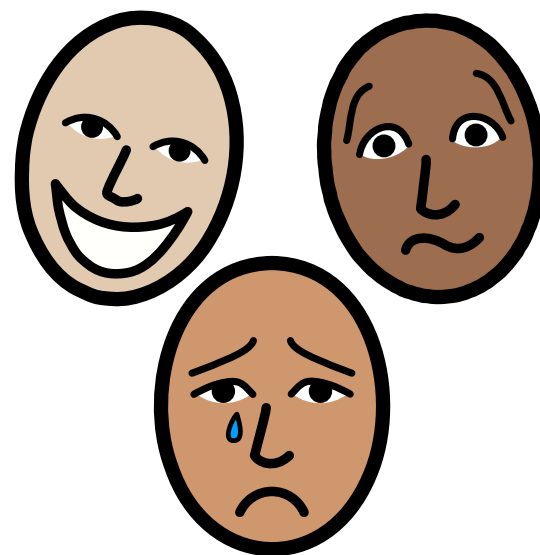

eller

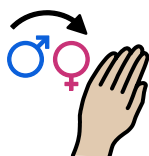

bilder.

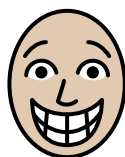

Onani

Känsla

När jag onanerar kan det kännas på olika sätt. Det kan kännas skönt,

spännande eller roligt.
